

# MICRO-RESEARCH PRESENTATION

## SCHEDULE

- ◆ **First Day**
  - Research topic
- ◆ **Second Day**
  - Finish research
  - Start making your poster
- ◆ **Third Day**
  - Finish making your poster
  - Practice presentation
- ◆ **Fourth Day**
  - Give presentations!

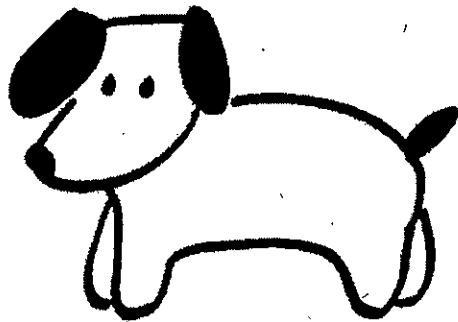

## TIPS FOR PRESENTATIONS

- ★ Only write your main points—don't write all of your information
- ★ Use lots of pictures and graphs/data
- ★ Don't read information from your poster—make a script
- ★ Don't copy information directly from the Internet—write it in your OWN WORDS
- ★ Prepare to answer QUESTIONS after your presentation!
